1. The first part of the report describes the synthesis of a new class of compounds, the 1,2-dithiolanes, which are of interest in the study of the mechanism of the reaction of sulfur with alkenes. The synthesis is carried out by the reaction of sulfur with alkenes in the presence of a catalyst. The products are characterized by their physical and chemical properties. The reaction is found to be highly regioselective and stereospecific. The mechanism of the reaction is discussed in detail, and it is concluded that the reaction proceeds via a cyclic intermediate. The results of the study are compared with those of other workers in the field. Rancangan Peraturan Desa yang menyangkut Pembangunan Desa, disusun oleh Kepala Desa dibantu oleh Perangkat Desa dan Lembaga Kemasyarakatan Desa yang merupakan mitra Pemerintah Desa dalam perencanaan dan pelaksanaan Pembangunan Desa.

1941

1. The first part of the report deals with the general situation of the country in 1941. It is noted that the country is still in a state of economic depression, and that the government is struggling to maintain its position. The report also mentions the need for a more active role for the government in the economy.

2. The second part of the report discusses the financial situation of the country. It is noted that the government is facing a severe budget deficit, and that the public debt is increasing rapidly. The report suggests that the government should consider various measures to reduce its expenditures and increase its revenues.

3. The third part of the report deals with the social and economic conditions of the country. It is noted that the standard of living is low, and that there is a high level of unemployment. The report also mentions the need for social reforms and a more active role for the government in the economy.

4. The fourth part of the report discusses the political situation of the country. It is noted that the government is facing a crisis of confidence, and that there is a need for a more stable and effective government. The report suggests that the government should consider various measures to improve its performance and gain the confidence of the people.

1942

1. The first part of the report deals with the general situation of the country in 1942. It is noted that the country is still in a state of economic depression, and that the government is struggling to maintain its position. The report also mentions the need for a more active role for the government in the economy.

2. The second part of the report discusses the financial situation of the country. It is noted that the government is facing a severe budget deficit, and that the public debt is increasing rapidly. The report suggests that the government should consider various measures to reduce its expenditures and increase its revenues.

3. The third part of the report deals with the social and economic conditions of the country. It is noted that the standard of living is low, and that there is a high level of unemployment. Pasal 6

- (1) Dalam rangka menetapkan Peraturan desa BPD mengadakan rapat yang dihadiri oleh :
 - a. Sekurang-kurangnya $\frac{2}{3}$ (dua per tiga) dari jumlah anggota BPD ;
 - b. Kepala Desa dan Perangkat Desa ;
 - c. Tokoh Masyarakat dan Pengurus Lembaga Kemasyarakatan Desa.
- (2) Dalam hal jumlah anggota BPD yang hadir kurang dari jumlah sebagaimana dimaksud dalam ayat (1) huruf a, rapat BPD dinyatakan tidak sah.
- (3) Dalam hal rapat BPD dinyatakan tidak sah sebagaimana dimaksud ayat (2), maka Pimpinan BPD menentukan waktu untuk mengadakan rapat berikutnya selambat-lambatnya 3 (tiga) hari terhitung dari rapat pertama.

Pasal 7

- (1) Sebelum BPD menyetujui Peraturan Desa, BPD dapat mengundang tokoh masyarakat, pengurus Lembaga Kemasyarakatan Desa ataupun warga masyarakat yang terkait untuk dimintai keterangan dan saran pertimbangan.
- (2) Peraturan Desa sebelum ditetapkan, agar disosialisasikan kepada masyarakat sesuai dengan kondisi sosial budaya setempat.

The first part of the report deals with the general situation of the country. It is noted that the economy is showing signs of recovery, but that inflation remains a serious problem. The government has taken measures to control inflation, but these have not been fully effective. The report also discusses the state of the public services, which are still in a state of transition. The education system is being reformed, and the health services are being improved. The report concludes that the country is making progress, but that there is still a long way to go.

The second part of the report deals with the specific details of the country's development. It is noted that the government has made significant investments in infrastructure, particularly in the areas of transport and communication. These investments are expected to have a positive impact on the country's economic growth. The report also discusses the state of the environment, which is being protected through various measures. The report concludes that the country is making progress, but that there is still a long way to go.
